Independent Auditors' Report

To the Executive Board and Members of
Iowa Public Schools Insurance Program
Iowa City, Iowa

We have audited the accompanying financial statements of the Iowa Public Schools Insurance Program (the Cooperative) as of and for the years ended June 30, 2021 and 2020, and the related notes to the financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Cooperative as of June 30, 2021 and 2020, and the changes in its financial position and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that management's discussion and analysis on pages 3 through 6, the reconciliation of claims liabilities on page 18 and the loss development information on pages 19 to 22, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

IOWA PUBLIC SCHOOLS INSURANCE PROGRAM
Management's Discussion and Analysis
For the Years Ended June 30, 2021 and 2020

This discussion and analysis of Iowa Public Schools Insurance Program's (the Cooperative) financial performance is presented to review the overall monetary health of the Cooperative and to supply more in-depth analysis for the years ended June 30, 2021 and 2020, along with related comparisons between years. The Cooperative's management encourages interested parties to consider this information along with the basic financial statements to better understand the Cooperative's performance.

Financial Highlights

- 20 members participated in the Cooperative's property and casualty and workers' compensation self-insurance programs during the year ended June 30, 2021.
- The overall financial condition of the Cooperative after its ninth year of existence continues to be favorable, with net position as of June 30, 2021 of \$4,266,148, an increase of \$1,423,023 from net positions as of June 30, 2020.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Cooperative's basic financial statements. The Cooperative operates as an enterprise fund, in accounting for members who participate in the public entity self-insurance pool.

The Cooperative's basic financial statements are comprised of two components, the basic financial statements and the notes to the basic financial statements.

Financial statements

The basic financial statements are designed to provide a broad overview of the Cooperative's finances.

The Statement of Net Position presents information on all of the Cooperative's assets and liabilities, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Cooperative is improving or deteriorating.

The Statement of Revenues, Expenses and Changes in Net Position presents information on all of the Cooperative's revenues, expenses and resulting change in net position (members' balances) during the fiscal year. All revenues and expenses are reported on an accrual basis. This means that the revenue or expense is recognized as soon as the underlying event giving rise to the change occurs, regardless of when the actual cash is received or paid.

IOWA PUBLIC SCHOOLS INSURANCE PROGRAM
Management's Discussion and Analysis
For the Years Ended June 30, 2021 and 2020 (Cont.)

The Statement of Cash Flows presents the net cash provided by the Cooperative's operating activities. It reconciles the beginning and end of year cash balances contained in the Statement of Net Position.

Notes to the basic financial statements

The notes to the basic financial statements provide additional information that is essential to a full understanding of the data provided in the financial statements.

Required supplementary information

This report also contains required supplementary information regarding claims liabilities and other loss development information.

Financial Analysis

Statements of Net Position

Net Position increased by \$1,423,023 in 2021 to \$4,266,148 compared to an increase of \$885,898 to \$2,843,125 in 2020. The Cooperative's assets consist of cash, certificates of deposit, amounts due from excess carriers, and amounts due from members. Liabilities include accounts payable, the liability for unpaid losses and loss adjustment expenses, accrued claims expense, amounts received in advance from members and amounts due to members.

Table 1 Condensed Statements of Net Position			
Assets:	<u>2021</u>	<u>2020</u>	<u>2019</u>
Cash and investments	\$7,731,521	\$6,269,627	\$5,110,935
Due from members	19,360	-	-
Due from excess carriers, net allowance	401,422	458,404	971,140
Total Assets	<u>8,152,303</u>	<u>6,728,031</u>	<u>6,082,075</u>
Liabilities:			
Accounts payable and other liabilities	59,496	4,380	2,920
Unpaid losses and loss adjustment expenses	3,392,604	3,797,485	4,121,928
Accrued claims expense	207,248	-	-
Unearned member contribution revenue	226,807	83,041	-
Total Liabilities	<u>3,886,155</u>	<u>3,884,906</u>	<u>4,124,848</u>
Net Position	<u>\$4,266,148</u>	<u>\$2,843,125</u>	<u>\$1,957,227</u>

IOWA PUBLIC SCHOOLS INSURANCE PROGRAM
Management's Discussion and Analysis
For the Years Ended June 30, 2021 and 2020 (Cont.)

Statements of Revenues, Expenses and Changes in Net Position

The Cooperative's total revenues from member contributions in 2021 were \$8,053,983. These revenues consist of loss fund contributions (\$4,328,238) and charges to members for insurance coverage, administrative costs and other operating expenses (\$3,725,745).

Total expenses in 2021 of \$6,688,481, consist of insurance premiums (\$3,042,583), losses and loss adjustment expenses (\$3,102,678), charges for pool and claims administration (\$479,053) and other operating expenses (\$64,167).

The decrease in revenues in 2021 was primarily the result of the decline in membership. The decrease in expenses in 2021 was primarily the result of decreases in insurance premiums as a result of membership decline and favorable development related to the provision for insured events of prior years for property and casualty and workers' compensation.

The Cooperative's total revenues from member contributions in 2020 were \$8,679,243. These revenues consist of loss fund contributions (\$4,509,502) and charges to members for insurance coverage, administrative costs and other operating expenses (\$4,169,741).

Total expenses in 2020 of \$7,887,382, consist of insurance premiums (\$3,448,136), losses and loss adjustment expenses (\$3,405,223), charges for pool and claims administration (\$677,661), other operating expenses (\$75,115), and return of surplus to members paid (\$281,247).

The increase in revenues in 2020 was primarily the result of increases in insurance premiums and related loss funds required to be collected from members. The increase in expenses in 2020 was primarily the result of the provision for insured events of the current fiscal year for property and casualty and increases in insurance premiums as noted above.

Factors Bearing on the Cooperative's Future

Membership in the Cooperative has decreased by two members (net) for the fiscal year ended June 30, 2022, however, the impact on total covered property values and employees is not expected to impact the operating results of the Cooperative or the ability to access the insurance markets for insurance coverage and excess coverages to reduce the exposure to large losses as members added have provided significant additions to the values and employees compared to members lost.

All members of the Cooperative operate as school districts within the State of Iowa and have not experienced losses from state sources due to the Coronavirus pandemic and have received federal CARES funding during the years ended June 30, 2021 and 2020. However, the Cooperative and its members are not able to determine the impact on future periods and available coverages from the pandemic.

At the time these financial statements were prepared and audited, the Cooperative was not aware of any other circumstances that may significantly affect its financial position in the future.

Requests for Information

This financial report is designed to provide a general overview of the Cooperative's finances and to demonstrate the Cooperative's accountability for the money it handles. If you have questions about this report, or need additional financial information, contact Mr. Leslie Finger, Treasurer, c/o Iowa City Community School District, 1725 North Dodge Street, Iowa City, IA 55240.

IOWA PUBLIC SCHOOLS INSURANCE PROGRAM
NOTES TO THE BASIC FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

NOTE 1 – REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Iowa Public Schools Insurance Program (the Cooperative) was formed as an Iowa nonprofit corporation, established under Iowa Code Chapter 504, to administer a local government risk pool pursuant to Iowa Code sections 296.7 and 670.7. An Intergovernmental Cooperative Agreement, effective July 1, 2012, was entered into by the six (6) initial member districts under the joint powers provisions of Iowa Code Chapter 28E for the establishment, operation and maintenance of a self-insurance program.

The Cooperative reporting entity includes all activities considered to be a part of (controlled by or dependent on) the Cooperative. This includes financial activity relating to all of the membership years of the Cooperative.

The purpose of the Cooperative is to jointly provide property and casualty and workers' compensation insurance coverage and protection for member districts.

The districts' creation of the Cooperative is not intended by the districts to constitute the transaction of an insurance business within the State of Iowa. The creation of the Cooperative is intended to allow a district to minimize annual fluctuations in insurance costs by establishing a program whereby reserves may be created to ultimately equalize the risks and stabilize the costs of providing the coverages mentioned previously.

The Cooperative had 20 members and 26 members as of June 30, 2021 and 2020, respectively that participated in the workers' compensation self-insurance program and the property and casualty self-insurance program.

A Board/Executive Committee manages the Cooperative. Districts are contractually obligated to make all required contributions, to report claims on a timely basis, to cooperate with the Program Administrator, its Claims Administrator and attorneys in claims investigations and settlements, and to follow the risk management procedures as outlined by the Cooperative.

If, during any fiscal year, the funds on hand in the account are not sufficient to pay expenses of the administration of the Cooperative, the Board may require supplementary payments from the members.

IOWA PUBLIC SCHOOLS INSURANCE PROGRAM
NOTES TO THE BASIC FINANCIAL STATEMENTS (CONT.)
JUNE 30, 2021 AND 2020

Significant Accounting Policies

The accounting policies of the Cooperative conform to accounting principles generally accepted in the United States of America (GAAP), as prescribed by the Governmental Accounting Standards Board (GASB).

The following is a summary of the more significant accounting policies of the Cooperative:

Basis of Presentation

The Cooperative operates as an enterprise fund. The accounts of the Cooperative are organized on the basis of claim or membership years, each of which is accounted for separately because the composition of membership may change from year to year. The basic financial statements report information on all of the activities of the Cooperative.

Measurement Focus and Basis of Accounting

The financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recognized when incurred, regardless of the timing of related cash flows.

An enterprise fund is accounted for on a cost of services or “economic resources” measurement focus. This means that all assets and all liabilities associated with the activity of providing insurance services are included within the fund.

Enterprise funds distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and delivering goods or services in connection with an enterprise fund’s principal ongoing operations. The principal operating revenues of the fund are charges to member districts for insurance coverage and loss fund contributions. Operating expenses for enterprise funds include the cost of insurance and services, claim fees and administrative expenses. All revenue and expenses not meeting this definition are reported as non-operating revenues and expenses.

Assets, Liabilities and Net Position

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Cooperative considers all highly liquid investments with an original maturity of three months or less at the date of purchase to be cash equivalents. Cash equivalents are carried at cost which approximates fair value due to the short term duration of the instruments.

IOWA PUBLIC SCHOOLS INSURANCE PROGRAM
NOTES TO THE BASIC FINANCIAL STATEMENTS (CONT.)
JUNE 30, 2021 AND 2020

Investments

The Cooperative's investments consist of certificates of deposits held at banks with an original maturity of greater than 90 days at the date of purchase. Certificates of deposits are stated at amortized cost, which approximates fair value. Interest income related to the certificates of deposit is included as nonoperating revenues.

Due from Excess Carriers

In the normal course of business, the Cooperative seeks to reduce the loss that may arise from events that cause unfavorable underwriting results by insuring certain levels of risk in various areas of exposure with other insurance carriers. Amounts recoverable from excess carriers under excess loss coverage are estimated in a manner consistent with the development of the estimated liability for loss and loss adjustment expenses and are netted with such reserves. Amounts due from excess carriers on paid losses and loss adjustment expenses are recorded as assets. Total due from excess carriers is reduced by an allowance for uncollectible of \$345,000 at June 30, 2021 and 2020.

Unpaid Losses and Loss Adjustment Expenses

The liability for unpaid losses and loss adjustment expenses represents an estimate of the ultimate cost of all losses and loss adjustment expenses incurred but not yet paid as of June 30, 2021 and 2020. These estimates are based on historical loss experience, various industry statistics, and information provided by a consulting actuary. Management believes that the liability for unpaid losses and loss adjustment expenses is adequate to cover the ultimate cost of claims incurred but as yet unpaid. However, the ultimate cost may be more or less than the estimated liability, and any adjustments of the estimated liability, based on subsequent developments, are included in operations when the adjustments become known. The liability for unpaid losses and loss adjustment expenses are reported net of estimated unpaid losses recoverable from excess carriers and are undiscounted.

Accrued Claims Expense

The liability for accrued claims expense represents amounts due on known claims that were advanced to the Cooperative.

Unearned Member Contribution Revenue

The unearned member contribution revenue liability represents member contributions for the succeeding membership year which have been paid by the member prior to the effective date of the related insurance coverage. These contributions will be earned and reported as revenue during the succeeding membership year.

IOWA PUBLIC SCHOOLS INSURANCE PROGRAM
NOTES TO THE BASIC FINANCIAL STATEMENTS (CONT.)
JUNE 30, 2021 AND 2020

Premium Deficiency

A premium deficiency exists when the sum of expected claims cost (including an estimated liability for unreported claims) and all expected claims adjustment expenses and policy acquisition costs exceed related unearned contributions. The Cooperative anticipates interest income in determining if a premium deficiency exists. No premium deficiencies existed as of June 30, 2021 and 2020.

Net Position

The Cooperative's net position is reported as unrestricted as of June 30, 2021 and 2020.

Net position is reported as restricted when constraints placed on net position used are either externally imposed by creditors, grantors, contributors, or imposed by laws through constitutional provisions or enabling legislation.

When both restricted and unrestricted resources are available for use, it is the Cooperative's policy to use restricted resources first, then unrestricted resources as needed.

Operating Revenues

Contributions

Membership contributions are calculated to provide for certain administrative expenses, insurance coverage, and the funding of a portion of anticipated losses and loss adjustment expenses which will be borne directly by the membership. The losses and loss adjustment expenses to be borne by the membership are those which must be incurred prior to the attachment of excess insurance coverage.

Initial contributions are determined in advance of each membership period based on payroll of covered employees, loss history and other factors. Contributions are earned in the membership period to which they apply. Initial contributions for each membership period are billed at or near the beginning of the period. Contributions for workers compensation insurance coverage are subject to revisions based on audits of member school districts' payroll data subsequent to year end.

IOWA PUBLIC SCHOOLS INSURANCE PROGRAM
NOTES TO THE BASIC FINANCIAL STATEMENTS (CONT.)
JUNE 30, 2021 AND 2020

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

NOTE 2 – CASH AND INVESTMENTS

Deposits

The Cooperative's deposits are comprised of deposits with financial institutions which include amounts held in demand accounts and certificate of deposits. The Cooperative's bank and book balances of deposits at June 30, 2021, were \$7,866,639 and \$7,731,521, and at June 30, 2020, were \$6,280,545 and \$6,269,627, respectively.

Custodial Credit Risk – Deposits

With respect to deposits, custodial credit risk refers to the risk that, in the event of a bank failure, the Cooperative's deposits may not be returned to it.

At June 30, 2021, the bank balances of the Cooperative's deposits with financial institutions totaled \$7,866,639 of which \$7,292,928 was exposed to custodial credit risk. At June 30, 2020, the bank balances of the Cooperative's deposits totaled \$6,280,545 of which \$5,992,146 was exposed to custodial credit risk.

Authorized Investments

The Cooperative does not have a formal deposit and investment policy that limits the Cooperative's allowable deposits or investments.

Interest Rate Risk

The Cooperative does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

IOWA PUBLIC SCHOOLS INSURANCE PROGRAM
NOTES TO THE BASIC FINANCIAL STATEMENTS (CONT.)
JUNE 30, 2021 AND 2020

NOTE 3 – INSURANCE IN FORCE

The Cooperative purchases excess insurance policies to reduce its exposure to large losses on various types of insured events. The Cooperative provides property and automobile physical damage, general liability, automobile liability, school board legal liability, employee benefits liability, law enforcement activities and harassment, abuse liability, employee dishonesty liability, excess liability, and excess property coverage in excess of specified limits for the membership acting as a single insurable unit. Boiler and machinery, pollution liability, and cyber liability coverage are purchased on a “first dollar” basis for the membership.

The Cooperative also purchases an excess workers’ compensation policy. Under the terms of the workers’ compensation policy, in the event the annual aggregate loss fund exceeds \$2,717,650 for the policy year ended June 30, 2021 and \$3,006,771 for the policy year ended June 30, 2020, the Cooperative has aggregate excess coverage provided by the excess workers’ compensation carrier. The Package Policy also includes a self-insured retention amount for individual claims exceeding \$500,000 and \$400,000 for the years ended June 30, 2021 and 2020, respectively.

Under the terms of the package policy, in the event the annual aggregate loss fund exceeds \$1,825,000 for the policy year ended June 30, 2021 and \$1,503,000 for the policy year ended June 30, 2020, the Cooperative has aggregate excess coverage provided by the package carrier. The package policy also includes a self-insured retention amount for individual claims exceeding \$100,000 for crime, \$150,000 for liability and \$750,000 for property coverage for the year ended June 30, 2021, and \$100,000 for liability and crime and \$400,000 for property coverage for the year ended June 30, 2020.

Additionally, some coverages carry a deductible of \$1,000 to \$500,000 which must be paid by the applicable member.

NOTE 4 – INCOME TAXES

The Cooperative’s income is exempt from federal income taxes under Section 115 of the Internal Revenue Code.

IOWA PUBLIC SCHOOLS INSURANCE PROGRAM
 NOTES TO THE BASIC FINANCIAL STATEMENTS (CONT.)
 JUNE 30, 2021 AND 2020

NOTE 5 – UNPAID LOSSES AND LOSS ADJUSTMENT EXPENSES

A summary of the changes in the liability for unpaid losses and loss adjustment expenses as of June 30, 2021 and 2020 is as follows:

	2021	2020
Unpaid losses and loss adjustment expenses at beginning of year	\$3,797,485	\$4,121,928
Incurred losses and loss adjustment expenses:		
Provision for insured events of the current fiscal year	3,987,112	3,925,625
Changes in provision for insured events of prior fiscal years	(884,434)	(520,402)
Total incurred losses and loss adjustment expenses	3,102,678	3,405,223
Payments of losses and loss adjustment expenses attributable to:		
Insured events of the current fiscal year	2,382,848	1,806,437
Insured events of prior fiscal years	1,124,711	1,923,229
Total payments of losses and loss adjustment expenses	3,507,559	3,729,666
Unpaid losses and loss adjustment expenses at end of year	\$3,392,604	\$3,797,485

NOTE 6 – RETURN OF SURPLUS TO MEMBERS

The Cooperative returned surplus to members for the following membership years during the years ending June 30, 2020 as follows:

	2020
Property & Casualty program:	
2012-2013	\$9,856
2013-2014	30,784
2014-2015	53,472
2015-2016	32,294
Workers Compensation program:	
2014-2015	154,841
Total return of surplus to members	\$281,247

IOWA PUBLIC SCHOOLS INSURANCE PROGRAM
NOTES TO THE BASIC FINANCIAL STATEMENTS (CONT.)
JUNE 30, 2021 AND 2020

NOTE 7 – COMMITMENTS AND CONTINGENCIES

The Cooperative is subject to various claims and lawsuits arising in the normal conduct of its insurance operations. Certain of these suits may seek damages in excess of policy limits. The Cooperative has established claim liabilities for the amount of losses management feels are potentially payable. The Cooperative believes that no material adverse settlement in excess of amounts provided will be made.

NOTE 8 – RISKS AND UNCERTAINTIES

On March 11, 2020, the World Health Organization (WHO) recognized COVID-19 as a global pandemic, prompting many national, regional, and local governments to implement preventative or protective measures, such as travel and business restrictions, temporary store closures, and wide-sweeping quarantines and stay-at-home orders. As a result, COVID-19 and the related restrictive measures have had a significant adverse impact upon many sectors of the economy. The COVID-19 pandemic remains a rapidly evolving situation. The extent of the impact of COVID-19 on the Cooperative remains uncertain.

NOTE 9 – SUBSEQUENT EVENTS

Subsequent events were evaluated for recognition and disclosure in the financial statements through the date of this report, which is the date the financial statements were available to be issued.

IOWA PUBLIC SCHOOLS INSURANCE PROGRAM
LOSS DEVELOPMENT INFORMATION – PROPERTY AND CASUALTY
LAST NINE MEMBERSHIP YEARS
JUNE 30, 2021

The following table illustrates how the Cooperative's property and casualty earned revenue (net of reinsurance) compare to related costs of loss (net of loss assumed by reinsurers) assumed by the Cooperative as of the end of each of the past nine fiscal years. The rows of the table are defined as follows:

(1) This line shows the total of each fiscal year's gross earned contribution revenue, contribution revenue ceded to reinsurers, and net earned contribution revenue.

(2) This line shows the Cooperative's gross incurred losses and loss adjustment expenses (both paid and accrued) as originally reported at the end of the first fiscal year in which the event that triggered coverage under the contract occurred (called policy year).

(3) This section of nine rows shows the cumulative net amounts paid as of the end of successive fiscal years for each policy year.

(4) This section of nine rows shows how each policy year's net incurred losses increased or decreased as of the end of successive fiscal years. (This annual reestimation results from new information received on known claims, reevaluation of existing information on known claims, and emergence of new claims not previously known.)

(5) This line compares the latest reestimated net incurred losses amount to the amount originally established (line 3) and shows whether this latest estimate of net claims cost is greater or less than originally thought. As data for individual policy years mature, the correlation between original estimates and reestimated amounts commonly is used to evaluate the accuracy of net incurred losses currently recognized in less mature policy years. The columns of the table show data for successive policy years.
